

Modified Garter Tab Cast On

In an effort to improve the look of the typical garter tab, I used the Ultra Gold (Ravelry) modified techniques. The instructions may vary slightly for different shawls.

Cast on 2 sts.

Knit 5 rows.

Turn, knit 2 sts, pick up 1 st from the purl edge of the garter ridge.

Twist this stitch clockwise

1 more time.

Slip it back on the LH needle, yo and purl it!

Then you will knit a yo, and pick up and knit two more stitches.

Turn work and you are ready, and need to refer to the pattern you are knitting.
